## Worker's Welfare

Besides paying a “living wage” which is substantially higher than the legal minimum, we support its employees by setting up welfare facilities like medical center, day-care center & canteen.

The result is industry –low turnover rate in its workforce. Properly equipped with a team of full-time doctor & nurse, its medical unit expands consultation & medication to worker's general health care requirements. It also bears full expenses of treatment of any injuries incurred in working hours.

In base day care center is not mere compliance with legal requirement rather a pride-taking facility to take care & entertain children of working mothers. Specious highly hygienic properly furnished & supervised by trained personnel these day care center comforts working mother by ensuring quality time for their children.

Moreover, adequate & facilitated arrangement of canteen, safe drinking waters & hygienic lavatories make a good place to work.

To assist workers financially in their emergency we have created a fund which extends interest-free loan.

Transportation is more essential to perform on time duty every day in this regard we are arranged two or three free bus service every working day in two term come factory & back to home. Free transportation service will be continue & if require we arrange or hire more bus service.

We have contract with **Universal Health Coverage Plan (UHCP)** to serve our employees 24 hours service & medical treatment including transportation facilities.
